

# White Metal Jumbo Toilet Roll Dispenser

**SKU:** 06-010

Powder coated to a white finish, this white metal jumbo toilet roll dispenser accepts a range of jumbo toilet rolls, and can be easily wiped clean, making it particularly suited to high traffic areas. The inspection slot shows the level of the current roll and indicates when a refill is necessary, helping reduce cleaning time.

- Good quality metal
- Full back plate gives added strength and stability
- Key locking mechanism, with slam lock
- Minimum core size: 2.5"
- Dimensions: H 386 x W 369 x D 138mm
