

HYPERGLIDE 350

Ultra-Compact

The Hyperglide 350 is an ultra compact floor scrubber, for all types of hard floors and carpets. It's contra-rotating brushes leave floors clean and dry within minutes, making this ideal for hotels, restaurants, bars, schools, offices, shops and healthcare facilities.

Effective on most floor types, particularly safety flooring, tiled floors, carpets and entrance matting

Supplied with medium grade (grey) brushes, designed for universal use, however more specialised brushes are available.

The Hyperglide 350 is extremely light in operation and even with a full tank is comfortable to use with one hand. Similar to an upright vacuum cleaner, the Hyperglide is very simple to use which means minimal training requirements.

AVAILABLE IN:

✓ **Available in mains or battery powered versions**

✓ **Contra rotating brush design**

Cleans and dries at the same time, leaving floors touch dry instantly.

✓ **Effective on multiple floor types**

Effective on most floor types, particularly safety flooring, tiled floors, carpets and entrance matting
